**EXHIBIT A TO CITY OF SAN JOSE (“CLAIMANT”)
PROOF OF CLAIM – GENERAL UNSECURED CLAIM**

1. Claimant’s currently identified claims are listed below in paragraphs A through D. Additional possible claims are referenced in paragraphs 2 and 3. Claimant reserves the right to amend, supplement or modify all of its claims, including (i) to add interest, penalties and attorneys’ fees, and (ii) to add additional claims, at any time, as additional information or circumstances warrant.

A. In May 2017, the San Jose City Council unanimously voted to create San Jose Clean Energy (“SJCE”), a community choice aggregation (“CCA”) program that provides electric generation, including cost-competitive clean electricity, product choice, price stability, energy efficiency, and greenhouse gas emission reductions to residents of San Jose. SJCE initiated customer service on February 1, 2019 and is currently servicing commercial and residential customer accounts within Debtor’s service territory via contracts with Debtor, using transmission and distribution lines that Debtor owns, maintains, and operates. Except as set forth in paragraph 2 below, Claimant is presently unaware of any claims arising out of the SJCE relationship. If such claims materialize, Claimant will amend this claim and/or file administrative priority claims, as appropriate.

B. \$32,842.68 invoice for permit fees, invoice no. 1163775, dated 1/10/19. Copy of invoice attached.

C. \$25,768.33 invoice for property damage, invoice no. 1136983, dated 8/25/15. Copy of invoice attached.

D. Any amount of Claimant’s “Utility Users Tax” claim that is disallowed as a priority claim.

2. Claimant believes it will have damage claims arising from Debtor’s “Public Safety Power Shut-off” (“PSPS”) on or about October 9-11, 2019. Claimant believes these claims will be administrative priority claims under Bankruptcy Code section 503 but will assert such claims both as a general unsecured claim, as an amendment to this Proof of Claim, and as an administrative priority claim. These claims will include an indemnity and/or contribution claim for amounts, if any, that Claimant is required to pay to its customers who were deprived of power by Debtor’s PSPS.

3. Claimant will amend this claim to add amounts due and damages, if any, arising from Debtor’s failure to perform its obligations under leases.

4. Claimant believes that Debtor has copies of all documents supporting the claims in paragraph 1.A. These documents are voluminous and contain confidential information. Accordingly, Claimant is not attaching copies of the claim documents here. Such documents are available to Debtor upon request, if necessary and subject to appropriate confidentiality protections, to assist Debtor in reviewing these claim amounts.

5. The claim amounts in paragraphs 1.B. and 1.C. include interest and penalties in accordance with municipal law provisions. Interest and penalties are continuing to accrue.

Certain of Claimant's agreements and applicable municipal law provisions also require Debtor to pay Claimant's attorneys' fees. Claimant will amend this claim to add attorneys' fees and to add accruing interest and penalties.

6. Claimant reserves the right to amend, supplement or modify this claim at any time, as additional information or circumstances warrant.

7. To the extent that Debtor asserts claims against Claimant, Claimant reserves the right to assert that such claims are subject to rights of setoff and/or recoupment, whether or not arising under the services and goods transactions that are the subject of this Proof of Claim, which rights may be treated as secured claims under the Bankruptcy Code, state and federal laws of similar import, as well as in equity.

8. To the extent that Debtor or any other party takes any action that would give rise to a counterclaim or other rights or claims that Claimant may have against Debtor, Claimant reserves all of its rights. In filing this claim, Claimant does not waive, and specifically reserves, all procedural and substantive defenses to any claim that may be asserted against Claimant by Debtor, by any trustee, or by any other party.

9. The filing of this Proof of Claim is not and shall not be deemed or construed as: (i) a waiver, release or limitation of Claimant's rights against any person, entity, or property; (ii) a waiver, release or limitation of Claimant's right to have any and all final orders in any and all non-core matters or proceedings entered only after de novo review by a United States District Court; (iii) a waiver of Claimant's right to move to withdraw the reference with respect to the subject matter of this claim, any objection thereto and/or other proceeding which may be commenced in this case against or otherwise involving Claimant; or (iv) a consent by Claimant to the final determination or adjudication of any claim or right pursuant to 28 U.S.C. § 157(c).
